VERIFICATION OF TRANSLATION

I, Tom Appich, a translator with Chillson Translating Service, 3530 Chas Drive, Hampstead, Maryland 21074, hereby declare as follows:

That I am familiar with the French and English languages;
That I am capable of translating from French to English;
That the translation attached hereto is a true and accurate translation of the French application titled, "INSERT FOR SNOWSHOE BOOTS BOOTS EQUIPPED WITH THE INSERT, AND PRODUCT LINE OF BOOTS;"

That all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true;

And further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any registration resulting therefrom.

Translator's notes:

1. The French word "axe", which is used throughout this text, can mean either "axis" or "shaft". "Axis" was used here for the sake of consistency, but the reader should be aware that "shafts" is an equally valid translation.

2. In Claim 11, the phrase "characteristics 3-8" is used, but probably should be "Claims 3-8".
